The retreats take place in contemplative silence with teaching and sharing sessions during the day. These events are arranged by the Maranatha Community - a growing movement of Christians in all the churches, who are committed to unity, renewal and healing.

LIGHT OUT OF DARKNESS (JUNE & OCTOBER)

Over many years the Lord has given great blessings through the Light out of Darkness courses that have been run within the Maranatha Community. Based on a book written by Sr Kathleen O'Sullivan, God has used this course to teach Christians about deepening spirituality and contemplative prayer.

It has been a desire for a while to make the retreat more available and yet to still retain the fullness of all it has to offer. We now believe it is right to split the material into two and so to take more time to draw on its richness and to include supplementary video talks given by Sr Kathleen. Even if you have already experienced 'Light out of Darkness' this is an opportunity to revisit at a slower and deeper level.

Each retreat will take place in contemplative silence, and whilst some find this difficult at the beginning of a retreat, most find it so valuable by the end.

One retreatant wrote :- *'I wasn't sure about the silence at first. It felt a little awkward e.g at meal times. But as the week went on it became a powerful revelation. I could see how our constant chit chat and trivia is such a distraction. In the silence the group connected at a deeper level. We did not know one another but we were connected very deeply by the Spirit. We were journeying together and God met each one of us where we were at. The silence was a gift.'*

During 2010 another retreatant said *"An experience that deepened my awareness of God's love for me and my love for others"*.

The first retreat will now be **renamed 'Light out of Darkness - Stepping out in faith'** and it will cover the first two parts of the book: 'First Steps' and 'Prepare the Way'. This retreat stands as a complete retreat in itself and will be run from the **Monday evening till lunch on Friday** in June and October. **Cost £190**

In 2012 we will also offer **'Light out of Darkness - Building with the Spirit'**. This will cover the last part of the book: 'Building the Temple' and will be for those who have already enjoyed the first retreat.
