LIGHT OUT OF DARKNESS (2) (JUNE & SEPTEMBER)

Over many years the Lord has given great blessings through the Light out of Darkness courses that have been run within the Maranatha Community. Based on a book written by Sr Kathleen O'Sullivan, God has used this course to teach Christians about deepening spirituality and contemplative prayer.

This year we are also offering 'Light out of Darkness - Building with the Spirit' and this retreat builds on the material in Light out of Darkness 'Stepping out in Faith'. This will cover the last part of the book: 'Building the Temple' and will be for those who have already enjoyed the first retreat and aims at a development of depth and a deeper spirituality.

Following on from the first retreat it could also serve as a refresher for those who have done Light out of Darkness previous to 2011 and it does include parts of the course not covered in those previous retreats.

A deeper encounter with God transforms our lives and enables us to walk in new freedom and light.

Comments from 'Light out of Darkness' retreatants include:

"I was honest with my communication with God and I benefited so much from doing so. He allowed me to see how much he cared by using specific words from the Bible".

"It was truly a moving experience".

"The retreat is very good at stimulating self-examination....being in a place which is steeped in reverence and serenity is a wonderful experience. Contemplation increases one's awareness of beauty and one's gratefulness for it".

Each retreat will take place in contemplative silence. They will be run from the **Monday starting at 12 noon until after lunch on Friday** in June and September. **Cost £210**
