(off Victoria Street and near Victoria Station)

10.30 a.m. – 4 p.m.

Theme:

PHYSICAL HEALING

Man is afflicted with sickness of **body, mind and spirit**. This sickness is manifest in the world. There is a deep relationship between disease within men and women and within society. We are all damaged and in need of healing. It is God's nature to heal - *"I am the Lord, who heals you"* (Exodus 15.26). The blind will see and the deaf will hear. The lame will walk and the dead will live. The hungry will be fed and the prisoner set free. The crooked will be made straight. The rough place will be made smooth. *"Then your light will break forth like the dawn and your healing will quickly appear..."* (Isaiah 58.8)

Our mission as Christians is to heal and to be healed. During this day we will discover how God comes to heal every part of our being - body, mind, spirit and emotions. The healing of God is for the whole person *"I have come that they may have life, and have it to the full"* (John 10.10).
