## **Healing in the Family of God**

Jesus opens the way for the deep healing needed by every human being - the discovery that our true identity is "Child of God" and that we belong in His Family. Our Father God yearns for us to discover that, irrespective of our many differences, we belong to each other because we belong to Him. God's love heals. When we share His love we bring healing to each other, to our communities and to the nation.

This united gathering of brothers and sisters from different church traditions is an opportunity for praise, prayer, teaching and healing.

**All are welcome**

**Please bring some food. Drinks will be provided.  
We will be having a shared lunch together at 12.45pm.**
