"In these prayers raw experience encounters resolute and buoyant faith, while interweaving Bible passages provide a sure foundation of support. 'From Darkness into Light' will sustain and encourage any who are battling with their own times of darkness".  
**Rev. Hazel Caffon**

"There is a great hunger for the Word of God in our time and place and spiritual malnutrition is a fact of life in the midst of deep human suffering. This inspired work will bring consolation, healing and reassurance to those searching for the face of God in a secular-humanist society. 'From Darkness into Light' conveys the great treasure of Christian faith in beautiful words of compassion and hope and will touch many lives. I am privileged to endorse it".  
**Father William Keogh**

'From Darkness into Light'. shows that within the Gospel there are elements which can meet us at our every point of need and in meeting us can bring us the healing touch of Jesus. Thank you, Dennis. We are all in your debt."
