

# 'CHOOSE LIFE' WORDS

for Believers  
for The Nation  
for The Churches  
at a time of crisis

Dennis Wrigley

*These meditations and prayers were given to Dennis Wrigley,  
Co-founder and for 33 years Leader of the Maranatha Community.  
They are deeply rooted in scripture and prayerful waiting on God.  
This document contains a selection of the many words received by Dennis.  
The Community believes that because of the spiritual crisis facing the  
churches and the people of these islands today, it would be of value for a  
selection to be assembled and shared among believers and others.*

<b>Afterword</b>		

*"If My people who are called by my name will humble themselves  
and pray and seek my face and turn from their wicked ways,  
then I will hear from heaven,  
and I will forgive their sin and will heal their land"*

(2 Chronicles 7.14)

# BEHOLD MY GLORY

My people, I call on you to open your eyes  
and see the terrible thing which is happening in your land today.

Do not any longer deny it.

Do not any longer turn away from it.

I have blessed your land over the centuries.

I have given you visions of truth and righteousness.

I have sent My people out across the face of the earth from your islands.

I have blessed and protected you.

But now you have become a wayward people.

You have sought to turn My blessings into curses and have spurned My protection.

In word and deed you have sought to expel Me,  
your Creator and Lord, from your presence.

You have denied Me. You have displaced Me.

You have mocked and ridiculed My holy name.

Darkest shadows are now cast across your land.

Powers of evil stalk your streets.

I come to bring you life but you are embracing the spirit of death.

I came to set you free but you are allowing yourselves  
to be held down with heavy chains.

I brought light but you are choosing to walk in darkness.

You demand your rights but spurn your responsibilities.

Do you not care about the poisoning of the precious young?

Do you not hear the cry of the innocents as they are slaughtered?

Do you not see the misery, unhappiness and suffering of so many around you?

Why are you so silent? Why is your voice not raised for the weak and the poor?

Why do you play games and amuse yourself when so many are dying?

Are you not aware of the corruption and desolation which is now taking place in your land?

Do you not know there is a price to be paid for what is happening?

As the enemy attacks, you My people are laying down your defences.

You are running away from the oncoming battle.

You are even collaborating with the enemy.

You, My flock, are deeply divided from one another.

You quarrel, you go your separate ways.

You refuse to come together in the purity of My love as one people.

Because of this you are a stumbling block to My Kingdom

and to the healing of your nation.

Your deafness, your blindness, your sin and your pride  
are preventing you from falling to your knees in sorrow and repentance.

When My people turn away from their idols and bow down together before Me,

I will reveal My power to heal and to save.

There is no other way.

You have no other saviour.

You cannot save yourselves.

I have given you My love, limitless and abundant.

I have presented you with My truth in all its purity.

I can do no more.

Before you there is now life and death.

I have given you the freedom to choose.

Open your eyes. Open your ears. Open your minds. Open your hearts.

I have spoken to you. I have revealed Myself to you.

Black clouds are menacing you today, but do not be afraid,

My presence is with you, here and now.

Behold the greatness and brightness of My Glory. Choose life.

# WAKE UP

You are asleep and in danger of dying in your sleep.

*I am calling you to wake up!*

Your hearts are cold -

*I am wanting to bring the warmth of My love into your being.*

You are half lovers -

*I am wanting you to be consumed with passion for My Kingdom.*

You are half givers -

*I have given all for you and I am wanting you to withhold nothing from Me.*

You are half believers -

*I am wanting to hear your 'Yes'.*

You are blind to the reality of dying churches and a dying culture -

*I am wanting to open your eyes.*

You are deaf to My words and to the cry of the needy -

*I am wanting to unstop your ears.*

You are dumb in the face of injustice, idolatry and denial of life -

*I am wanting to anoint your lips and end your deafening silence.*

You are soiled with the ways of the world -

*I am wanting to pour My cleansing waters over you.*

You are in darkness -

*I am wanting My light to shine on you, in you and through you.*

You look inward, consumed with self -

*I am calling you to look out, meeting Me in others.*

You look down in depression and despair -

*I am calling you to look up and be overwhelmed with My Glory.*

You look back, captives of the past -

*I am calling you to look forward with hope and expectation.*

You are embracing a culture of death, decay and hopelessness -

*I am calling you to newness and life.*

You are separated from each other in your selfish individualism -

*I am calling you to come together as one*

You are tired and often despondent -

*I am coming to make all things new.*

You are cast down and defeated -

*I am coming to raise you up.*

You are surrounded by lies and deceit -

*I am wanting you to embrace My Truth.*

Your roots are dry and there is little life within you -

*I am wanting to water your roots to bring blossom and fruit.*

You consume poison, damaging you in body, mind and spirit -

*I am inviting you to receive the Bread of Life.*

# BE TRANSFORMED!

There is no battle  
in this land  
which My people  
cannot win  
if they fight  
as one.

There is no lie  
freely embraced  
in this land  
which cannot  
be cancelled  
and denied  
if My people  
speak

with one voice.

There is no wall of division  
which cannot  
be destroyed  
and swept aside  
if My people themselves  
dwell together

in unity and reconciliation.  
There is no demonic force,

however confident  
in its own evil power  
which will not tremble  
with fear  
and flee away  
if My people  
come together  
and pray as one.

There is no burden  
of collective shame  
and guilt and corruption  
which cannot be lifted  
and totally removed  
if My people,  
together,  
fall on their knees  
in sorrow  
and repentance.

Do you really believe in  
My mighty power  
to transform,  
to heal,  
to save?

February 2006

## DRAW TOGETHER!

You can walk hand in hand as pilgrims  
or scatter and go your separate ways.

You can be an encouragement to one another  
or stumbling blocks bringing sadness and despair.

You can bring strength to each other  
or doubt and confusion.

You can help one another  
or be a hindrance.

You can listen to God  
or listen to yourselves.

You can open the doors of your hearts and minds  
or keep them firmly closed.

You can look outwards at the glory of the Lord  
or inward at yourselves.

You can look up into the Father's love  
or down at your frail humanity.

You can look forward with hope at what God will do  
or back with pain at a lost past.

When you come together as the Body of Christ

- I will give you My eyes to see,  
not as the world see.
- I will give you My ears to hear,  
not as the world hears.
- I will place My words upon your hearts.
- I will breathe upon you.

I will allow My life blood to flow within you;  
My sacred Heart to beat within you.

If you truly listen, you will surely hear.

If you wait in patience and faith I will surely come.  
If you watch attentively I will surely reveal Myself.

- If you pray together as one,  
together you will encounter the one God.
- The condition of this encounter  
is My love within you, expressed to Me,  
to one another and to the whole world.

# BE CHANGED!

I am calling you to change.

I am calling you to step out in confidence.

If you act now in the full freedom of My Spirit  
you will turn aside from all drifting and doubting  
and you will move forward boldly and swiftly.

Your commitment to the vision  
which I have given you is vital.

Do not be afraid. Respond to Me now.  
Trust Me now. Love Me now. Serve Me now.

Do not say yes, if you mean no.

At your 'yes', you will be swept along  
by the love and truth of My Spirit.

I will equip you for the battle.

I will give you the sight  
to discern those who should walk with you.

I will give you signs and confirmation.

Place your problems before Me.

Do not wrestle with them.

Encourage one another.

Build one another up.

Walk together in love and unity.

Do not separate – be one.

I will show you what you are to be.

I will show the way you are to go.

I will bring to you the people  
and resources you need for the journey ahead.

My anointing will be sufficient.

I call upon you to accept My discipline.

I call upon you to accept the responsibility  
of all who would seek My Kingdom.

If you truly listen to Me and respond  
to what I am saying, I will re-form you.

I will re-invigorate you.

I will pour out My Spirit upon you  
and you will receive power  
which the enemy will be unable to resist.

My question to you is simple –  
are you for Me or against Me?

'Behold I am making all things new'.

December 2007

# BE BOLD, BE STRONG

I command you to despise the words of the discouragers.

You may be betrayed by those you trusted.

You will be made weary by those who fail you.

You will be despised and misunderstood.

You will be isolated and cast down.

Promises will be broken.

The evil one will seek to impair your vision of My Kingdom.

He will sow seeds of doubt and fear in your heart.

He will seek to destroy your foundations.

He will endeavour to fill you with sadness  
and despair and to remove your strength.

You have known many battles  
and I have always bound up your wounds.

You have known fearsome isolation  
but I have always sent you My angels.

Never forget that I have brought you  
through fire and you have not been burnt.

I have brought you through the stormy waters  
and you have not drowned.

When you have been hungry, I have always fed you.

When you have wept, I have always wiped away your tears.

When you have stumbled, I have always raised you up.

Take heart, I will silence wagging tongues  
and all murmuring of dispute and discontent.

I will remove all poison which has been released  
and I will cancel all lies.

Reach out now and hold My strong hand in this your hour of need.

I will lead you on the paths of My choosing.

You will step on scorpions, the waters will be parted.

Again I am placing My sword into your hands.

Take heart. Take heart.

You will defeat the enemy and all his minions.

You will expose his lies and reveal My glory.

I will use you to unmask the evil spirits of this age  
and bring freedom to those in bondage.

The wolves in sheep's clothing will flee away.

The assailing army will lay down its arms.

Take heart, the going is hard, but the victory is mine.

January 2008

# BE ONE!

If you listen together AS ONE you will hear My words.  
If you pray together AS ONE you will see signs, miracles and wonders.  
If you praise together AS ONE great spiritual power will be released  
If you act together AS ONE in My name walls of obstruction will be demolished.  
If you speak together AS ONE My voice will be heard in the land.  
Your calling is to listen, pray, praise, act and speak AS ONE.

January 2008

## CARE FOR THE YOUNG

My call is for the young,  
My precious ones.  
Evil forces have been let loose  
which are bringing them into corruption,  
degradation and death.  
These forces would destroy the  
loving bonds of motherhood and fatherhood.  
They would destroy the families in which  
I have ordained  
these young ones to live.  
Open your eyes to see the destruction  
which is being wrought,  
the cruelty which is being inflicted  
even upon the unborn young.  
My people,  
stand against the invading poison,  
sound the trumpet of warning,  
shout out as one,  
so that My voice may be heard.  
Defend the dignity of all human life,  
which I have created, against the aggressors.  
Do not be tainted with the blood of the innocents.  
The stones will cry out if you remain silent.  
Do not be despondent or down hearted.  
Though the enemy may appear to prosper,  
the battle and the victory are Mine;  
he will be laid low.

March 2008

## HUMBLE YOURSELVES

You are paying the price for your greed  
by stealing from your children.

You have created a society based on spending  
what you do not own.

In your mad hunger for wealth  
you have happily plunged into the quicksands of debt.

You have squandered the resources I have given you  
by reckless spending and reckless lending.

In your blindness you still do not see  
that the structures you so arrogantly constructed  
have collapsed because your foundations are rotten.

You have deliberately chosen to build on the sand of human folly  
rather than the Rock of Ages.

You have expelled Me from your thinking,  
from your living and from your being.

You have underestimated the magnitude of your folly.

You have called 'peace' when there was no peace.

You have sought to hide the truth.

Your false confidence quickly gave way to blind panic  
in your desperate struggle for survival.

There is mutual delusion as you endeavour to resolve  
your problems in your own strength.

You have called on your man-made gods for help  
and they have not heard you.

There is still pride and arrogance in your heart.

In your stubbornness you steadfastly  
refuse to admit your guilt and grasping greed.

As ever, when you embrace the cruelty of selfish tyranny  
it is the poor, the defenceless, the young and the elderly  
who suffer what you have inflicted upon them.

These are the ones for whom I care so deeply.

Will you not humble yourselves and kneel in sorrow?

Will you not admit the folly of your human ways?

Are you too proud to call on My name?

Be assured, all those who call upon My name will be saved.

My ways are the ways of truth and righteousness, justice and peace.

If you turn to Me, listen to Me, obey Me and walk with Me  
your crumbling walls will be rebuilt,

your deserts will blossom and your dry bones will spring to life.

If you confess your sins I will bring you great wealth,  
not of gold and silver, stocks and shares,  
but of values which are changeless and eternal.

The riches of My grace will be more than sufficient for all your needs.

Do not enslave yourselves to tawdry human dreams.

I offer you, My children, the hope of glory.

April 2009

# MY URGENT COMMAND

My beloved children  
How much longer must I wait  
for you to come together as My people?  
How much longer will you succumb to the critical spirit  
which holds you back from each other?  
Why are your hearts not on fire  
with love for one another?  
Why are you not drawn together  
with a passion to be truly one in Me?  
How much longer must I wait  
for you to blow the trumpet  
which I have placed before your lips?  
How much longer must I wait  
for the silence to be broken in your land?  
How much longer must I wait  
for you to wield the sword of My Spirit  
which I have placed into your hands?  
How much longer are you going to kneel  
before the spirit of the age?  
How much longer must I wait for you to stand  
before Me as My people,  
strong in My Spirit,  
filled with My Love, set free by My Truth?  
I call upon you now to exercise the power  
I have given you to move the mountains.  
I call upon you now to walk boldly and not be weary.  
I call upon you now to rise up as eagles.  
I call upon you now to be My visible healing Body  
in a diseased and broken world.  
My desire is that you should see with My eyes  
the pain and anguish and sin around you.  
My desire is that you should hear with My ears  
the cries, spoken and unspoken,  
of the vast multitude of the broken, weary and lost,  
the hungry, poor and destitute,  
the despised, rejected and persecuted,  
the lost sheep for whom their Shepherd has died.  
My desire is for you to feed them now.  
My urgent command to you, My people,  
is to turn away from your many human words,  
words of criticism and disputation.  
End your chattering and whispering.  
Turn to Me; come to Me; listen to Me.  
I am the Word. I am Spirit and Life.  
I alone can nourish you.  
Only My Word can liberate you  
and set you free to be Salt and Light in the world.  
How much longer must I wait  
for the flame of My Spirit to leap up within your hearts?  
How much longer must I wait  
for My people to be ablaze with My Love and My Truth?

October 2009

## MY SIMPLE MESSAGE

My message to you is simple.  
My call to you is urgent.  
My question to you is immediate.  
Are you ready to open your eyes  
and see the dereliction of your churches  
and admit the truth of your dying culture?  
Are you ready to open your ears  
and hear My liberating words?  
Are you ready to open your mouths  
and proclaim My pure truth?  
Do not hesitate.  
Do not delay.  
Do not compromise.  
Do not drift.

My message, My call is for here and now.  
The stones will cry out if you do not respond.  
I have revealed to you a vision of My Kingdom.  
If you respond to this vision  
there will be miracles, signs and wonders.  
I will anoint you with My mighty Spirit.  
I will bestow upon you the full power  
of My love and My Truth.  
If you withhold, draw back  
or deny the vision I have given to you,  
the consequences will be more serious  
than you realise.  
I am waiting for you.  
I am looking at you  
and listening for your response.  
I have chosen this time  
and My timing is perfect.  
This is a Kairos moment.

# YOUR NATION HAS TURNED AGAINST ME

Your nation is despising and rejecting Me.

You are hiding Me from your children.

You are abusing and mocking My Name.

You are excluding Me from your lives.

You are expelling Me from your thoughts.

You are raising up your idols.

You are shamelessly bowing down before them.

You are abandoning My ways.

Your lives are based on greed and selfishness.

There is a sickness in your land,

which you cannot heal alone.

There is a crisis in your land,

which you cannot solve alone.

If you do not seek Me

and accept the reality of your own sinful situation,

there can be no hope for you.

Today do not be deaf to My words.

Today do not be blind to what is happening.

Turn back from your path of destruction.

Remember My blessings on your nation in past years.

Do not destroy the foundations on which your nation is built.

If you turn to Me now in sorrow and repentance,

I will save and heal your nation;

I will reveal My mighty power;

I will reveal My love and compassion.

Oh you, My dear people who own My Name do not delay,  
raise your voices now, speak out without fear.

Oh you, My dear people who own My Name, do not delay,  
stand firm against the enemy now and I will give you victory.

I will honour the intention of your hearts.

I will honour your obedience.

I will honour your humility.

If you waken from your sleep,

if you rise up as one,

if you speak out as one,

if you pray as one,

the wind of the Spirit will blow across your nation,

the water of My Spirit will sweep across your land,

your ruined walls will be rebuilt,

your dead bones will spring to life,

your deserts will blossom.

I will reveal My living presence to you,

if, together, you turn to Me.

Do not delay, be My servants and My witnesses now.

July 2010

## THE BREAD OF LIFE

A struggle is taking place for the soul of your nation.  
There is a spiritual famine in your land.  
In the midst of this desperate hunger  
there is a great barn bursting with grain.  
The doors are padlocked and shut.  
I want you to receive from Me the keys to the doors.  
My bread for the life of the world will then be released.  
No one will be able to close the doors.

June 2011

# I HAVE URGENT WORDS FOR YOU

I have urgent words  
for your soul  
but the evil one  
would rob you of your hearing.  
It is My desire  
that you should see  
the brightness of My Glory,  
but the evil one  
would rob you of your seeing.  
It is My will  
that your lips may proclaim  
My Living Word  
but the evil one  
would rob you of your speaking.  
I will not allow you  
to be deafened, blinded or muted.  
You will hear My voice  
and you will live.  
You will behold My Glory  
and you will receive My spirit.  
You will take My word upon you  
and it will go forth unhindered.  
The evil one will plunge you  
into darkest night,  
but My bright dawn will come.  
The evil one  
will attack you  
inflicting loneliness and despair  
in the dryness and deadness of the desert  
but the refreshing waters will come  
bringing newness and hope.  
The evil one would seek to  
shatter your dreams  
undermine your foundations,  
destroy your faith,  
poison your relationships.  
The evil one would seek to  
bring confusion, chaos, doubt and fear.  
He would attack, invade,  
frighten, divide and wound.  
He would cause you  
to be weary, to be discouraged,  
to stumble and to fall.  
but My covenant promise  
to you is strong and secure.  
Abide in Me and you will  
have nothing to fear.  
Walk with Me and you will  
travel in perfect safety on  
the path of My choosing.  
As My Spirit pours into your life  
mountains will be moved,  
the waters will be parted,  
the hungry will be fed,

the sick will be healed.  
Vast resources of My love  
will be released,  
prisoners will be set free.

I now call you  
to be bold  
to be free.

Do not let your heart be  
troubled or dismayed.  
My presence is with you.

The evil one does not want  
you to see the wonders  
of My Grace, but I will  
open your eyes to see.

The evil one does not want  
you to hear My living Word  
but I will open your ears.

The evil one would mute  
your voice but I will bring  
fresh anointing to your lips.

You will proclaim.  
You will be heard.

I will honour your obedience.

I have not finished with you yet.

December 2011

## CRISIS & GLORY

I ask you to open your eyes to the truth.  
There is great sickness in your nation.  
There is great sickness in the churches.

I am calling you urgently to a ministry of healing.  
There is great division in your nation.  
There is great division in the churches.

I call you urgently to a ministry of unity and reconciliation.  
There is death in your nation.  
There is death in the churches.

I call you urgently to a ministry of life, renewal and revival.  
My call to My people is immediate.  
You stand in urgent need.  
Your situation is serious.  
There is crisis in your land,  
but My glory will be revealed.  
There is darkness and decay,  
which only My Light can penetrate.

There is dryness and decay but I am ready to release the fire,  
which will transform My people and sweep across your nation.  
The flames of My Spirit none can resist.

Receive My Word, live My Word, proclaim My Word,  
be loving, be faithful, be hopeful  
be humble, be strong, be obedient.

January 2012

## I AM WAITING

I have given you  
the Vision,  
have you not seen?  
I have given you  
the Word,  
have you not heard?  
For long years  
I have been preparing you  
for such a time as this,  
– a Kairos moment.  
Do you not believe Me?  
I am waiting for your Yes.

May 2012

## A KAIROS MOMENT

You did not heed  
My warnings long ago  
of coming warfare  
trouble and distress.  
The sounds of distant gunfire,  
of marching feet  
and the murmuring of thunder  
did not wake you  
from your deep slumber.  
The trumpets went unheeded.  
The signs I gave you went unseen.  
Your tight, closed eyes  
hid from your vision the  
sombre gathering storm clouds.  
You slept on,  
unaware, or unconcerned  
that the enemy was already  
ravaging your fields,  
seemingly not knowing  
that you are living  
on borrowed time,  
on shrinking capital.  
You did not realise the consequences  
of turning away from Me.  
But now the time has come.  
Your defences are broken,  
and the ranks of the enemy  
are now at your gate,  
immediately ready  
to break in and plunder.  
The time of waiting is over.  
Are you aware  
that the mighty battle

for the soul of your nation  
has now commenced?  
The drums are rolling,  
the weapons are unleashed.  
Some will flee  
in fear and terror.  
Others will meekly drift away,  
allowing themselves to be taken prisoner.  
Some will carry on sleeping.  
Others will die in their sleep.  
Some will rush around in confusion  
engaged in desperate talk  
and disputation, without a purpose.  
Others will deny the urgency, and seek delay.  
Some will wish to dialogue with the enemy  
to compromise and submit,  
and ultimately be taken prisoner.  
Others will cry 'peace' when there is no peace.  
Some will say it is all but a dream.  
Others will weep in despair, and do nothing.  
Some, now, see My revelation  
and know full well the immediacy of this danger  
and the urgency of My calls.  
They know that I, Almighty God,  
at this time,  
am calling My people together as one,  
to mobilise, rise up and prepare for battle.  
The vast resources of My love will be unleashed.  
The liberation of My truth will be proclaimed.  
The full power of My Spirit will be known.  
At My command, My people will take the  
handle of the sword of truth,  
and wield it in the power of My Spirit,  
withstanding the assault of the evil one,  
giving hope to the hopeless,  
gathering together a mighty army of My people,  
- those who have been overwhelmed by the vision of My glory.  
They will not limp away from the battlefield,  
dispirited and defeated.  
They will know the promised victory.  
You, My people, will rise up as eagles.  
You will walk and not be weary.  
You will proclaim My truth  
and My voice will be heard throughout the land.  
In My strength you will ensure that the soul of your nation is saved.  
My demand is for your response, your readiness, your obedience.  
Come, walk with Me now.  
You will go through fires,  
and you will not be burned.  
You will go through storms,  
and you will not be drowned.  
You will repair the broken walls.  
You will see the dry bones spring to life.  
You will see the desert blossom.  
Although My judgement is on you,  
and I weep for all your wrongdoings and faithlessness,  
I am now offering you life in place of death.

I offer you newness and transformation  
in place of your tiredness and decay.  
I will renew your faltering faith.  
Listen to Me.  
Repent, be obedient, be humble.  
I am revealing Myself to you.  
Have you seen?  
I am giving you My Word.  
Have you heard?  
For long years  
I have been preparing you  
for such a time as this.  
Do you believe Me?  
I am waiting for your response.  
I am waiting for your Yes.

## THE NEED

There is a need for My truth to be proclaimed in your land today.  
There is a need for My love to be known in your land today.  
So many of My people are silent. So many of My people are sleeping.  
So many hearts have grown cold. I call you to waken up and live.

My spirit can transform your land.  
Your dry bones can spring to life.  
Your broken walls can be repaired.  
Your desert wastes can blossom.  
The choice is yours.  
Hear Me and you will know newness.  
Listen to Me My people, hear Me and you will spring to life.

# ONENESS

My people  
I call upon you  
this day.  
Be one,  
be My body.  
Be one,  
be My family.  
Be one.  
Your oneness  
will bring healing  
to a broken, hurting,  
divided world.  
Your divisions  
are an abomination to Me.  
I delight in your  
praises and adoration  
as you come before Me  
as one.  
If you come before Me  
as one,  
if you gather together in My Name  
as one,  
you will receive My Spirit,  
who is truth and love  
in full measure.  
If you speak as one  
My voice will be heard  
across the land  
and beyond.  
Mountains will be moved  
deserts and dry bones  
will spring to life.  
Broken walls will be rebuilt  
lives will be transformed.  
In your crisis  
you will behold  
My glory.

# HEALING, UNITY, RENEWAL

There is sickness in your land.  
There is sickness in the churches.  
Your calling is to bring My healing and wholeness now.

There is division in your land.  
There is division in the churches.  
Your calling is to bring My unity and oneness now.

There is death in your land.  
There is death in the churches  
Your calling is to bring My life, revival and renewal now.

Your repentance will lead you into healing, unity and renewal.  
Not by might, nor by power, but by My Spirit.

## A KAIROS CALL

The Lord is asking  
is it stop  
or is it go?  
Is it yes  
or is it no?  
Is it death  
or is it life?  
Is it peace  
or is it strife?  
Is it moving as one  
or is it falling apart?  
Is it warmth of the Spirit  
or is it hardness of heart?  
Is it zeal for the Kingdom  
or is it drift and decay?  
Is it the gloom of the night  
or God's glorious new day?  
Is it muting the trumpet  
or wielding the sword?  
Is it forward  
or back?  
Is it defence  
or attack?  
Is it moving  
or staying?  
Is it striving  
or being?  
Is it watching  
Or seeing?  
Is it fluttering  
or flying?

**Is it living  
or dying?  
Is it a temple  
or a tent?  
Is it in ownership  
or rent?  
Is it here  
or is it there?  
And if not here  
where oh where?  
Is it now  
or is it then?  
And if not now  
when, oh, when?**

## BE OPEN

**Open your eyes to what I am revealing.  
Open your ears to what I am saying.  
Open your heart to My love.  
Open your mind to My truth.  
Open your lives to My Spirit.**

January 2013

## TEARS

**Our calling is not to judge,  
to point fingers of accusation.  
Our calling is to share  
pain and sorrow  
and, with Jesus, to weep.**

January 2013

## REVELATION

If My people  
seek My will  
I will reveal  
My ways  
with brightest clarity.  
I will make known  
My purposes  
and My people  
will be of one heart  
with one another  
and with Me.

There will be no confusion  
nor acrimony of debate,  
no wrestling  
no persuasion  
no sadness or fear  
no guilt or regret.

There will be a oneness  
of shared love  
and common understanding  
as My people  
pray together, stay together  
listen to My voice  
and hear My words,  
open their eyes and see  
what I am now showing them.

But deaf ears will bring desolation  
and where there is  
no vision, the people perish.

## SO MANY

So many hungry still to be fed  
So many tears still to be shed  
So many mountains still to be shaken  
So many citadels still to be taken  
So many battles still to fight  
So many demons to be put to flight  
So many wounds waiting to be bound  
So many truths waiting to be found  
So many tasks, so weak my strength  
So many journeys so short life's length  
So glorious the vision  
So poor my sight  
So bright Your morning  
So dark my night  
So great Thou art  
So weak my heart  
So short my days  
So vast Your ways.  
Come Lord Jesus!

## MY CHILDREN

My little flock do not be afraid.  
The wolves will not ravage you,  
Your shepherd is with you  
and will protect and lead you into new pastures.  
My little children,  
walk together more closely as brothers and sisters  
and I will make you as a mighty army.  
Be obedient and disciplined  
and I will reveal to you  
the magnitude of the resources of My Grace.  
Open your eyes now  
and I will show you My great purposes.  
Open your ears now  
and you will hear My living Word.  
You are weak but I am mighty.  
I will give you signs,  
I will show you wonders.  
The brightness of My light  
will penetrate your gloom.  
There will be great joy  
amongst My people and in the heavenly places.

July 2013

## TOGETHER

If you My people  
will come together  
in true unity  
I will stand in your midst  
and you will know  
My real presence.

If you My people  
will come together  
as one family  
I will reveal Myself to you  
as your loving Father.

If you My people  
will come together  
as one flock  
I will show Myself to you  
as the Good Shepherd.

If you My people  
will come together  
as one, in shared hunger  
I will feed you  
and I will be for you  
the Bread of Life.

If you My people  
will come together  
as one in praise  
and acknowledge Me as Lord  
I will pour out My Spirit upon you.

If you My people  
will come together  
as one in repentance  
You will receive  
My forgiveness  
and you will be liberated.

If you My people  
will come together  
as one in obedience  
and wait upon Me  
I will raise you as a  
mighty army in the land.

If you My people  
will come together  
as one in love,  
hand in hand,  
My great power to heal  
will be released.

If you My people

will come together  
as one, to listen  
you will hear My voice  
and you will receive  
the Living Word.

If you My people  
will come together  
as one and speak as one  
My voice will be heard  
throughout the land.

If you My people  
will gather together  
as the one living Body of Christ  
you will be transformed  
you will be used  
as instruments of  
faith, hope and love  
and your nation will be changed.

If you My people  
will come together  
as one, before My Cross,  
your chains will fall off  
your hearts will be free  
you will rise up  
and together  
follow Me.

## LET US COME BEFORE GOD

Let us thank God  
for the work and witness of successive generations  
who have created and strengthened the foundations of our Christian culture.

Let us thank God  
for those who went from these islands and took the Gospel  
and Christian values across the face of the Earth.

Let us come before God  
in repentance in acknowledging past and present shortcomings and failures.

Let us come before God  
in sorrow, seeking his forgiveness and healing.

Let us come before God  
in total submission and complete obedience.

Let us come before God  
and hear what he is saying to us.  
In coming to God let us respond promptly,  
lovingly, and not in our strength  
but in the dynamic power of His Spirit who is truth and love.

In the face of the crisis, which is upon us,  
let us do this now, without delay.

# BROKENNESS

I have called you to declare  
My healing message  
to exercise My ministry  
for the healing of  
broken minds,  
broken hearts,  
broken bodies,  
broken lives,  
broken families,  
broken communities  
and a broken world.

I call on you to avoid judgement  
and to share in My tears.

I have raised you up as a Servant Community,  
I am opening doors which can never be closed  
and I am pouring My Spirit,  
which is love and truth,  
in abundance on your Community.

August 2014

# MY PEOPLE

My church is divided.  
The sheep of My flock are scattered.  
My children refuse to be one.  
The trumpet is giving an uncertain sound.  
The truth of My Gospel is being hidden.  
My people are in great danger of marrying the spirit of the age  
and conforming to the ways of the world.  
I am the judge – not My people. I need their tears.  
I am the Word. I ask you to listen to Me, My people.  
When you listen you will hear.  
Why are you deaf to My cry?  
I call you to proclaim, not to dialogue and discuss.  
My call is for you to be  
instruments of My healing in a sick and dying world.  
I weep when I see broken hearts,  
broken lives, broken families, broken communities,  
broken nations and a broken world.  
I am the Lord of your life.  
Acknowledge Me, embrace Me,  
come to Me, submit to Me and you will surely live.  
Turn away from Me,  
reject Me, despise Me and you will choose death.  
With Me there is an origin,  
a meaning and a purpose to your life.  
Without Me you have no origin,  
no meaning and no purpose.

September 2014

## MY HONOUR

I will honour your humble service,  
but not your pride.  
I will honour your tears,  
but not your judgement.  
I do not want your human strategies,  
I want your heart.  
**I do not want your man-made concepts of success and celebrity,**  
I want your passion for My Kingdom.  
**I do not want your human cleverness,**  
**I want My Grace to spring up within you**  
**now.**

February 2015

## REVELATION NOW

**This year I will reveal the magnitude  
of the deep darkness which now engulfs your land.**  
**This year your eyes will be opened to the terrible consequence of people  
ignoring Me, denying Me, dishonouring Me, rejecting Me and disobeying Me.**  
**This year you will weep for what you have done to the children and coming generations,  
for you have sacrificed them on the altar of your greed.**

**This year I will reveal painful truths.**

**Your tears will overflow for the furious unbelief  
which has captured the hearts and minds of the people.  
Your tears will overflow for churches engulfed in the night  
of confusion, doubt and fear.  
You will be brought to your knees in sorrow and repentance.**

**In the measure that you listen to Me, cry out to Me, submit yourselves to Me,  
I will reveal to you the magnitude of My Power and My Glory  
and your nation will have a great revelation of truth.**

**Rivers of life and healing will flow across barren deserts.  
My people, watch and pray earnestly.  
I, Almighty God, will reveal Myself and when My Spirit is upon you,  
you will receive power and a mighty rushing wind will sweep the land.  
The Light of my Hope will shine forth and penetrate the gloom  
and I will give you a new confidence and a voice for the nations again.**

**There is no limit to what I can do. To me nothing is impossible.**

## AFTERWORD

**What is God saying to and about the churches across the United Kingdom today?  
What is God saying to and about our nation and its leaders today?**

The nature of God is to speak to His people. He is not silent.

Our first task is to listen to Him rather than one another.

If we do not hear, we may not be listening.

If we listen as one we will surely hear the one voice of the Lord.

He speaks to us, as individuals,

His words demand a response.

He speaks to us, together – as His people.

As we come to Him He reveals His truth to us.

The revelation may be painful,

He may take us to the barren place,

He may show us the dead bones,

He may show us the broken walls,

His Spirit will convict us of our sins,

With Jesus, our tears may flow,

these tears will water the parched earth of our lives.

Our roots will grow and be strengthened.

So many of our problems stem from our rootlessness.

So often we build on the sand of human endeavour – human words,  
human leadership, human systems, methods and techniques.

So often we marry the spirit of the age: power, popularity,  
celebrity, fame and wealth.

The roots fail to stand up to the storm and the tree is felled.

The foundations become weak and the structure collapses.

Before revival there must be a radical renewal of our prayer life.

Before renewal there must be conviction of sin and of our human need.

Only then can we respond to the first call of Christ to repent.

Only when we draw so close to God in silence and awe,  
in contemplation and expectancy,  
will we be equipped for prophetic outreach,  
proclamation and evangelism.

There will be no revival in our hurting, divided world

until the followers of Jesus are truly ONE with God and ONE with each other,  
until we speak with ONE voice.

Let us come together now as ONE and wait upon God.

Let us be still and know that He is the Lord.

Above all, let us listen, and respond in obedience to His words.

Time is desperately short.
